TRADE AD

developing eco-friendly products to keep ahead of the trend. Our sales team will usually understand what alternatives each client is willing to look at and

a dishwasher more than 4,000 times. Over at RMT Global Partners, recent projects have included developing eco-friendly items or alternative

alternatives to give options to our customers as trends change, in addition to believing it's the right thing to do for our environment."

felix

Whatever the age of your cat, our complete range of FELIX® recipes provides him with delicious and nutritionally balanced meals to help him stay in tip-top condition.

[Click here to find out more about the FELIX® range](#)

As Good As It Gets

A range of delicious meals that look and taste so real, your cat won't wait for the food to reach the bowl. It really looks so delicious. Specially prepared with tender, ready-to-eat pieces in a succulent jelly, your cat will find it irresistible every time!

SENSATIONS

FELIX® Sensations is a range of delicious meals made with quality ingredients that look, smell and, of course, taste delicious. Tender-looking, so easily passed around with delicate and thoughtful pieces to inspire in a great taste and an appealing aroma.

KITTEN

Call me! To keep in their favorite FELIX® Kitten, our Kitten pouches contain the right combination of proteins, essential minerals and vitamins that little cats need to grow. Please keep up their love for your advertisement!

SENIOR
